

e-update | June & July 2019

Hello everyone! Thank-you for your generosity in response to the membership renewal invitation. Also, your attendance at the AGM & Stakeholder Dinner on June 22, 2019 was joyous reminder of our bond as a ministry.

Membership is on the rise...

Join me in welcoming **Larissa & Geoff Vogan** to The King's University Foundation. Larissa and Geoff, WELCOME! *Thank you* Bob De Moor for sharing with them how our purpose is serving His kingdom. Together we will secure access to **The King's University** for those seeking Christian university education and a home away from home.

Membership giving update...

As a result of your active engagement, we already raised \$30,000 of our \$100,000 goal! Our intention is to provide King's with another one hundred thousand dollar grant toward scholarships and bursaries for the upcoming year. These types of student awards facilitate recruitment and retention initiatives at King's for prospective and returning students. In doing so, the Foundation contributes to King's Shared Vision toward continued institutional sustainability. Our concerted efforts last year ensured 48 students were empowered to select King's as their university of choice free of financial impediment.

Members stronger together...

I wish to thank everyone who attended our 34th Annual General Meeting & Stakeholder Dinner on the 22nd of June, 2019. We had an amazing day launching a new strategic course, approving the budget and celebrating the grant gifted to King's in the 2018-19 period! The night was quite special as we learned from a student whose career is on track thanks to our financial gifts. We closed the evening in awe at our heavenly skies, thanks to a guided trip through our universe delivered by Dr. Brian Martin and his private observatory images.
